### RESOLUTION 05-06

#### A RESOLUTION ESTABLISHING RATES FOR HIGH DEFINITION TELEVISION AND BULK BANDWIDTH RATES

WHEREAS, Spanish Fork City owns and operates a fiber optic system which delivers cable television and high speed internet services to its residents; and

WHEREAS, in order to offer the best services commercially available, Spanish Fork City desires to offer high definition television and bulk bandwidth pricing to its customers; and

WHEREAS, the City needs to provide these services at a fair and reasonable price which will both benefit the residents of the City and allow the City to recoup its costs;

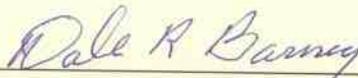

NOW THEREFORE, be it resolved by the Spanish Fork City Council as follows:

1. The rental fee for a set top box for high definition television will be \$8.00 per

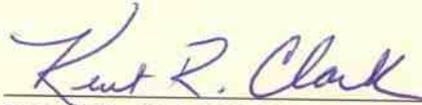

month.

2. The rental fee for a set top box for high definition television with a personal video recorder will be \$10.00 per month.
3. The rental fee for a set top box for high definition television with dual channel personal video recorder will be \$13.00 per month.
4. The high definition programming tier will be \$10.00 per month, in addition to the charge for the service ordered by a customer.
5. The bulk bandwidth pricing for 10 mbps point-to-point L2 VLAN (no internet access) will be \$200.00 per month for each end of the connection, plus appropriate installation charges, which will vary depending on where the service is located and the costs incurred by the City in making the installation.
6. The bulk bandwidth pricing for 100 mbps point-to-point L2 VLAN (no internet access) will be \$1,500.00 per month for each end of the connection, plus appropriate installation charges, which will vary depending on where the service is located and the costs incurred by the City in making the installation.

DATED this 19th day of April, 2005.
