RESOLUTION 08-16

A RESOLUTION ACCEPTING FAIRWAY LANE AND FAIRWAY CIRCLE AS PUBLIC STREETS

WHEREAS, Spanish Fork City allows private streets under certain situations and conditions, which also allow for a smaller cross section than public streets; and

WHEREAS, Spanish Fork City has recently amended its public street cross section to allow for some narrower streets as public streets; and

WHEREAS, two streets, which are currently private streets, meet the new standard. These

streets are Fairway Lane and Fairway Circle; and

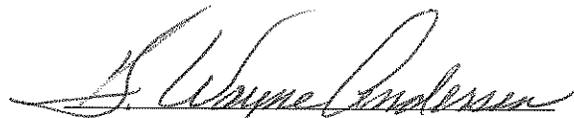

WHEREAS, the home owners associations having jurisdiction over these private streets have asked the City to take over these streets as public streets; and

WHEREAS, the city public works department has reviewed each street and find that they are in good condition and have been adequately maintained such that the City will not incur additional expense by taking over these streets;

NOW THEREFORE, be it resolved by the Spanish Fork City Council as follows:

1. Spanish Fork City hereby accepts, as public streets, the following private streets:
 - a. Fairway Lane
 - b. Fairway Circle
2. Spanish Fork City will take over maintenance of these streets commencing on January 1, 2009.

DATED this 16th of December, 2008.
