**INTERLOCAL AGREEMENT FOR JOINT
AND COOPERATIVE ACTION CREATING
MT. NEBO WATER AGENCY**

THIS INTERLOCAL AGREEMENT FOR JOINT AND COOPERATIVE ACTION CREATING THE MT. NEBO WATER AGENCY (the “Agreement”) is made by and among the parties signatory hereto (sometimes referred to herein individually as a “Party” and collectively as the “Parties”), pursuant to the provisions of the Interlocal Cooperation Act, Utah Code Ann. §11-13-101 et seq. (1953, as amended) (the “Act”). This Agreement is signed by the Parties on the dates indicated and is effective upon completion of the filing requirements of the Act.

RECITALS

A. The Act allows public agencies to jointly exercise any power, privilege, or authority exercised or capable of exercise by a Utah public agency for the betterment of itself and its constituents.

B. The Act provides that the public agencies may create a legal entity to exercise such powers, privileges, or authority.

C. The Parties share a common interest that water resources be developed, protected, and managed to the end that the Parties may maximize the beneficial use of the available water supplies in satisfying the demands of agriculture and a growing municipal population in southern Utah County and the Utah Lake drainage area.

D. The Parties recognize that the success of agriculture and economic growth in south Utah County depend on an affordable and sufficient supply of water and the Parties will exercise the powers, privileges, and authority granted through the laws of the State of Utah to achieve this purpose.

E. Through factually and scientifically-based studies, the Members (as defined hereafter) will develop plans to address agriculture preservation; water conservation; infrastructure needs for development, conveyance, distribution, and treatment of the water resources needed for Members and their respective residents and customers; and financial plans that will show that the projects are practical and affordable.

F. The Parties have found that the securing additional supplies of water and protecting existing supplies can best be achieved by economies of scale, minimizing duplication of costs, , reducing transmission losses, use of aquifer recharge and recovery, and managing return flows.

G. The Parties have determined that joint and cooperative action of the Parties in operating through a separate legal entity established under authority of the Act will help implement the desired economies of scale; promote the objectives stated above as well as the health, safety, and welfare of their residents and customers; and provide other benefits.

H. The Parties hereto desire to jointly enter into this Agreement to accomplish the purposes set forth herein.

The Board may enter into a contract with SHLCC under which it will agree to be assessed upon the same basis as the Members to pay its equitable and proportionate share of the costs of operating the Agency. Such assessments shall be apportioned among the Members and SHLCC on such basis as the Board determines proper, in its sole discretion. Assessments may not be made without the consent of the Member or SHLCC. The Agency will notify Members and SHLCC of its proposed budget by March 15 of each year and invoice for the same on or about July 1 each year. Each Member shall pay the assessments, for which it has consented, within thirty (30) days of being invoiced. Any Member which does not pay assessments will subject them to expulsion from the Agency, or such other sanctions as the Board determines equitable under all the circumstances. A Director representing a Member or other entity which has not paid its assessment may not vote on any matter during any period in which the Member or other entity is delinquent on payment of any assessment. The Board may also establish such sanctions as it determines to be equitable if SHLCC agrees to pay assessments and then fails to pay such assessments when due.
- C. **Advances of Funds; Contributions**. Contributions or advances of funds or of personnel, supplies, equipment, or property may be made to the Agency by any Member or Non-Member Contracting Entity to accomplish the purposes of the Agency. Any such advance may be made subject to reimbursement as agreed by the Member, any Non-Member Contracting Entity, and the Agency.
- D. **Project Financing**. A Project may be financed in whole or in part by the issuance of bonds and/or notes of the Agency payable from or secured by the revenues and receipts derived from the ownership and operation of such Project. No Member, nor any entity represented on the Agency Board, shall be liable for any bond, note, indebtedness, or other obligation incurred by the Agency, nor liable for the indebtedness of any other Member, nor liable for any indebtedness or other obligation with respect to a Project, other than the obligations of such Member arising under its contracts with the Agency related to each separate Project.

SECTION 9 – TERM

The Agency shall exist for the later of fifty (50) years or five years after it has fully paid or otherwise discharged all of its indebtedness, as authorized by §11-13-204(3)(a) and (b) of the Act. Existing or future provisions of the Act allowing for a longer term automatically extend the term of this Agreement to the longest term allowed by the Act. An amendment to this Agreement may extend the term. The term shall commence when this Agreement is adopted by each Member and approved by an attorney for each Member, as provided in the Act, placed with the keeper of records of each Member, and provisions of the Act required for initial formation of the Agency have been completed.

SECTION 10 – WITHDRAWAL

A Member may withdraw from the Agency subject to such terms and conditions as shall be specified in a withdrawal agreement between the Member and the Agency. Such withdrawal shall not affect any contractual liability of such Member to the Agency or to other Members. No Member shall be permitted to withdraw if such withdrawal would cause the Agency's existence to terminate, or otherwise cause the Agency to be in violation of any contract or bond obligation set forth in any indenture, contract, or other agreement with any third party, except upon consent of the Board. A withdrawing Member is not entitled to receive any of the assets of the Agency upon its withdrawal.

SECTION 11 – TERMINATION

- A. The Agency shall be terminated and dissolved upon a unanimous vote of the Board.
- B. Upon termination, the Members are entitled to receive a distribution of Agency assets, based upon their individual capital contributions to the Agency. If capital contributions cannot be determined, the Members may distribute the assets in an equitable manner, as shall be determined by the Board in its discretion.
- C. Upon such termination or dissolution, any assets specific to a Project in which all members did not participate shall be distributed to the Project participants in proportion to their individual contributions or as otherwise agreed among the Project participants.
- D. If the Members cannot agree on an equitable distribution, they shall resort to mediation to resolve the conflict. If mediation does not resolve the disagreement, an arbiter shall be chosen by the Board, who shall hear arguments of the Parties and make a distribution. The distribution made by the arbiter shall be final and non-appealable.

SECTION 12 – MISCELLANEOUS

- A. This Agreement is governed by the laws of the State of Utah.
- B. The Members, SHLCC, and any Non-Member Contracting Entities who participate in a Project, shall not be deemed to be partners, joint venturers, or associated in any manner which

obligates them for the debts, defaults, or mistakes of any other party, or which renders them liable for the debts or obligations of the Agency.

- C. The provisions of this Agreement applicable to SHLCC, particularly the provisions for appointment of directors under Section 5, are for SHLCC's direct benefit and protection as a third-party beneficiary under those provisions. No provision concerning or affecting SHLCC may be removed or amended without SHLCC's written consent.
- D. Should any part, term, or provision of this Agreement be held by a court of proper jurisdiction as void, illegal, in conflict with any law, or otherwise rendered unenforceable, the validity of the remaining portions shall not be affected, unless the purposes of the Agency are thwarted thereby.
- E. Directors shall have no liability to any Member for any act or omission in the performance of his/her duties as a Director.
- F. The Agency shall defend, indemnify, and hold harmless the Directors, officers, and employees for any action taken within the scope of the authority of the Agency.
- G. The Agency is entitled to the protections, obligations, and responsibilities conferred on public agencies by the Utah Governmental Immunities Act.
- H. This Agreement is unique to the Members hereof, and is, therefore, not assignable, though qualified Future Members may be added according to the procedure set forth herein.
- I. This Agreement shall only be amended, in writing, upon the unanimous approval of the Members hereof.

SECTION 13 – NOTICE TO THE LIEUTENANT GOVERNOR

The governing body of each Party to this Agreement shall: (i) within 30 days after the date of the Agreement, jointly file with the Lieutenant Governor of the State of Utah a copy of a notice of an impending boundary action, as required in the Act; and (ii) upon the Lieutenant Governor's issuance of a certificate of creation of the Agency, submit to the recorder of Utah County the original notice of an impending boundary action, the certificate of creation, and a certified copy of this Agreement. Upon the Lieutenant Governor's issuance of a certificate of creation the Agency shall be duly created.

SECTION 14 – FILING OF THIS AGREEMENT

This Agreement shall take effect upon the filing of a fully-executed copy of this Agreement with the keeper of records of each of the Parties hereto.
