## ORDINANCE No. 01-16

### AN ORDINANCE REQUIRING VEHICLES TO BE REMOVED FROM PUBLIC STREETS DURING SNOW REMOVAL OPERATIONS

WHEREAS, Spanish Fork City regulates parking in certain areas and for certain times in order to provide safer streets; and

WHEREAS, requiring vehicles to be removed from public streets during snow removal operations will allow the crews to be quicker, more efficient, and will save taxpayer dollars;

NOW THEREFORE, be it enacted and ordained by the Spanish Fork City Council as follows:

I.

Spanish Fork Municipal Code §10.16.040, "Snow Removal" and §10.16.050, "Violations" are hereby created as follows:

**10.16.040 Snow Removal**

Parking is prohibited on city public streets during snow removal operations. All vehicles are to be removed from city public streets during snow storms and for up to 48 hours thereafter, or until snow plowing and snow removal efforts are completed, as determined by the Public Works Department, whichever is sooner. During snow storms shall mean at the point in time that snow begins to accumulate on the streets, rather than melt. The Mayor has the authority to extend the 48 hours in the event of an unusually large storm which takes City crews more than 48 hours to clear the streets of snow. Notice of the extension is to be posted on the City web page, SFCN, and through mass communication messages.

**10.16.050 Violations**

The registered owner(s) of a vehicle which is in violation of this Chapter is subject to receiving an administrative notice of violation and handling the matter administratively, if they so desire. If the registered owner wants to challenge the violation or otherwise does not want to resolve the matter administratively, they shall receive a citation to court. Parking violations referred to court are infractions. The registered owner(s) is responsible for a vehicle in violation of this Chapter, whether or not they were driving the vehicle, and whether or not they were responsible for where the vehicle was parked. Administrative fees shall be established by the Council in the City's annual budget, or by resolution.

**II.**

The initial administrative fees, until changed by action of the Council, are as follows:

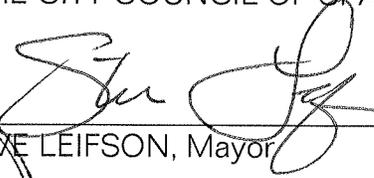

First violation	\$15.00
Second violation in same year or snow removal season	\$40.00
Third violation in same year or snow removal season	\$75.00
Subsequent violations in the same year or snow removal season are double the amount of the previous fee	

This section II shall not be part of the Spanish Fork City Municipal Code.

**III.**

This ordinance shall be effective twenty days after passage and publication.

PASSED AND ORDERED PUBLISHED BY THE CITY COUNCIL OF SPANISH FORK, UTAH, this 16th day of February, 2016.
