# A MESSAGE FROM THE DIRECTOR

Public Safety Director, Dee Rosenbaum

## Mission Statement:

*“We the Spanish Fork Police Department are committed to serving all facets of our community with professionalism, fairness, respect and compassion. Driven by a desire to serve, we investigate problems as well as incidents, seeking solutions and fostering a sense of security in neighborhoods and individuals.”*

*“We are committed to provide safety, service and protection while instilling confidence and providing for a better quality of life for all people. This will be accomplished by enforcing the law while protecting citizen rights, freedoms and constitutional guarantees.”*

*“We are dedicated to providing a quality work environment and the development of it’s members through effective training and leadership.”*

As Director of Public Safety, I am committed to seeing that Spanish Fork residents receive the high quality service they deserve. As members of this community we have all heard the repeated comment from families moving into Spanish Fork that they move here because of the quality of life and services available. We are fortunate to live in a relatively safe community to which people are drawn to raise their family. I know that it is the desire of every man and

woman working for the public safety department to maintain and improve this quality community we enjoy. Officers and police civilian staff, firefighters and ambulance personnel, animal control officer and crossing guards, volunteers and administrators all are dedicated to providing the very best service possible.

We all work hard to make the Public Safety Departments an integrated part of this wonderful community. By so doing we feel that we are establishing a working relationship with the citizens that make them feel comfortable in coming to us for help and assistance. We spend many hours each year meeting with the public, giving presentations and talking to them about our various areas of expertise on topics such as personal safety, awareness of local laws and ordinances, neighborhood awareness, crime prevention and drug awareness.

We as a community are fortunate to have the quality of dedicated men and women that we have in the public safety departments with whom I am so very proud to be associated.

# EMPLOYEE INFORMATION

# Department Employees

The employees of Spanish Fork Police Department take pride in their jobs. We work hard to serve the citizens of Spanish Fork.

Department Personnel:

28 Police Officers, 4 Secretaries, 1 Animal Control Officer

ADMINISTRATIVE  
DIVISION

# ADMINISTRATIVE DIVISION

Prepared by Lt. Steven Adams

Lt. Steven Adams

**The Administrative Division provides services to the public as well as support and information necessary for the other divisions of the police department to carry out their duties.**

I report directly to Chief Rosenbaum regarding the day to day operations of the department. Among many other duties I serve as the City Youth Peer Court Manager, Public Information Officer and Evidence Custodian.

Other personnel in this area are the Secretarial Staff, the Animal Control Officer, and several School Crossing Guards.

## **Animal Control**

Our Animal Control Officer is Mark Byers. He has served the city for 26 years. He is scheduled to work full time hours and often finds it difficult to provide the service requested by citizens within that time frame. This past year there were a total of 1395 calls for animal control assistance.

Spanish Fork City has contracted with the South Utah Valley Animal Shelter to house and assist in sheltering animals from the Spanish Fork area. Several other neighboring cities also are part of this Special Service District that feeds into the Shelter.

## **Department Secretaries**

This past year has kept our administrative and support services personnel very busy. The total number of telephone calls received by the office staff was 11,771. This does not include those people who come personally to the police department.

Currently the department has three full time secretaries and one part time secretary. They are Jill Thorpe with 26 years of employment for Spanish Fork, Janet Bryan with 15 years employment for Spanish Fork, Heather Frost with 14 years employment for Spanish Fork and Lydia Evans with 4 years of employment with Spanish Fork and 10 years with Springville Police. As you can see, we have several years of experience with these employees. They are service oriented and can handle most if not all citizen requests.

More often than not when a citizen calls for assistance from police, it is during a time of stress in their life. These secretaries are often complimented by citizens and other police agencies for the way they have responded to the requests of the caller.

## **Crossing Guards**

Our School Crossing Guards really enjoy their work. The children they help as well as their parents are so grateful for their service. They do all they can to ensure that the children cross their crossing safely. We employ 21 crossing guards who cover 13 crossings twice per day.

## **City Youth Peer Court**

This is a successful and warranted program. The Peer Court panel has had a positive effect on those that were referred to the program. This program gives first time youth offenders a second chance to keep their juvenile record clean by opting (if possible) to attend the Youth Peer Court.

In 2011 we had 35 youths referred to the program. All of the 35 completed their sanctions as imposed by the Youth Court. We believe this program is making a difference.

I N V E S T I G A T I V E  
D I V I S I O N

# INVESTIGATIONS DIVISION

Prepared by Lt. Brandon Anderson

The Spanish Fork Police Department Investigations Division has the responsibility of conducting the follow up investigations on criminal cases as well as some non criminal cases including:

**Property Crimes** such as arson, burglary, robbery, theft, forgery, fraud, and identity theft.

**Person Crimes** such as homicide, assault, kidnapping, and sex offenses.

**Public Health and Safety Crimes** such as weapons offenses, alcohol, tobacco, illegal drug use, drug trafficking, and pornography violations.

**Non Criminal Cases** such as runaways and death investigations.

Lt. Brandon Anderson

## **Manpower and Responsibilities**

The Investigations Division is responsible for general investigations as well as numerous special investigative responsibilities.

Detectives are assigned as follows:

- Investigators
- Drug Enforcement Officer
- Utah County Major Crimes Task Force Officer
- School Resource Officers

The Lieutenant directly supervises the Sergeant. He is responsible for reviewing cases and assigning the cases to the detectives for follow up investigations and monitoring their performance and quality of work. He also assists in investigations and major investigations as needed

The Sergeant directly supervises five detectives. He also carries a caseload of active investigations and follows up on these investigations. He closely monitors the investigations conducted by the detectives under him and provides assistance and suggestions as needed.

## **School Resource Officers**

There are currently two officers assigned as School Resource Officers. There is a full time school resource officer assigned to Spanish Fork High School and a part time school resource officer assigned to Maple Mountain High School. A Law Enforcement Class is taught at both of these schools by the school resource officer. They also assist the administration and staff with problems that arise not only at Spanish Fork and Maple Mountain High Schools but also at Landmark High School, American Leadership Academy, Spanish Fork Jr. High, Diamond Fork Jr. High and occasionally at the elementary schools. They help provide a security presence in the schools as well as enforcing laws and investigating offenses that occur on and around the campuses. In addition to the school activities, they are also assigned cases requiring general follow up. They have also been tasked to coordinate with Utah County Health Department personnel in monitoring local retail outlets for tobacco and alcohol sales compliance. The Nebo School District pays for ½ the salary and benefits of the Spanish Fork High School Resource Officer. There is currently a contract with the School District to pay Spanish Fork City \$20,000 for the Resource Officer to be at Maple Mountain High School part time and attend certain school activities.

## Drug Enforcement Officer

The Drug Enforcement Officer addresses the issues of local drug enforcement. He conducts drug prevention presentations to schools, churches civic groups and most other groups requesting a presentation on drugs or drug use prevention. There is plenty of work to do and the position will be maintained as there is a constant need for attention in these areas.

### 2011 Statistics

- Arrested Suspects
  - Felony 49
  - Misdemeanor 109
  - Total 158
- Search Warrants Executed 5
- Seizures
  - Cash \$ 0
  - Vehicles 0
  - Guns 0
  - Marijuana Grows 1
  - Meth Labs 0

| Controlled Substance           | Quantity    | Street Value           |          |
|--------------------------------|-------------|------------------------|----------|
| Marijuana                      | 283.4 grams | by the gram            | \$ 3,480 |
| Methamphetamine                | 18.6 grams  | by the 8 ball (3.5 gm) | \$ 1,860 |
| Ecstasy                        | 70          | per tablet             | \$ 700   |
| Cocaine                        | 7 grams     | by the balloon         | \$ 700   |
| Oxycontin / Oxycodone          | 0           | per tablet             | \$ 0     |
| Other Prescription Medications | 69          | \$15 average per pill  | \$ 1,035 |
| Heroin                         | 22.8 grams  | by the balloon         | \$ 2,280 |
| Psilocybin Mushrooms           | 6.7 grams   | by the ounce           | \$ 200   |
| TOTAL                          | -----       |                        | \$10,155 |

## Major Crimes Task Force Officer

This position serves as a representative to the Utah County Major Crimes Task Force. The primary function of this is to target illegal drug use and trafficking and closely related crimes throughout Utah County that are often associated with drug abuse. The Task Force officer is often involved in large scale cases involving drug trafficking. They try to investigate the large scale trafficker which in some cases lead to cases outside Utah County as well as outside the State of Utah and outside the country.

### 2011 Statistics

- Arrested Suspects 198
- Federal Indictments 53
- Search Warrants Executed 55
- Seizures
  - Cash \$481,349
  - Vehicles 18
  - Guns 33
  - Marijuana 41.15 lbs
  - Meth 42.59 lbs
  - Cocaine 6.62 lbs

## Utah County Sex Crimes Task Force

Spanish Fork Investigations Division has four investigators assigned to the Utah County Sex Crimes Task Force. This allows the investigators to receive up to date training in the area of sex crimes and child abuse type cases. It also allows our agency to share information regarding sex offenders and work together to assure the registered sex offenders in our jurisdiction are compliant in their registration.

## **Child Abduction Response Team (Utah Valley CART)**

The Spanish Fork Investigations Division has four investigators assigned to CART. CART is a formalized multi-agency response to abducted and missing/endangered children. This multi-agency child abduction team will respond to abducted, missing and endangered child cases in a timely and efficient manner. The participating agencies for the Utah Valley CART include all of the cities in Utah County along with Heber City Police Department, Nephi Police Department, Utah Highway Patrol, FBI, ICE, AP&P, and the Utah Attorney General CART. CART provides expert resources to augment organized investigative efforts and assures the victim family and community that all resources are utilized for the successful recovery of the child.

PATROL  
DIVISION

# PATROL DIVISION

Prepared by Lt. Johnston

The Patrol Division has some of the best and brightest personnel that a city could have. They are people of the highest integrity and they love the people they serve. They have a passion to do the right thing in all cases. They go out of their way to help the citizens in our town. They have pride in the uniform they wear and try at all times to bring honor to the uniform and to the City of Spanish Fork.

Lt. Carl Johnston

## **Manpower and Responsibilities**

The Patrol Division is made up of three Sergeants and fourteen patrol line officers. Additionally there is one patrol officer that serves as the Code Enforcement Officer. He enforces city codes and ordinances throughout the city.

## **Traffic Officer**

The traffic officer has been a great thing for the Patrol Division because it has allowed us to assign one person to strictly focus on the traffic issues that are constantly occurring around town. We have been able to adjust the traffic officer's schedule to the times when the problems are occurring. When there is a complaint about speeding the traffic officer makes personal contact with the complainant and works with them in addressing the problem. It has had a direct effect on being able to target specific areas at specific times and has reduced the number of speeding complaints.

## **DARE Program**

The DARE program is conducted in most elementary schools which include: Brockbank, Riverview, Park, Larsen, Canyon, East Meadows, Sierra Bonita, Spanish Oaks and American Leadership Academy. The schools have been great to work with to make the program a success.

The DARE Officers assigned to the schools this year are: Bryan DeWitt, Chris Sheriff, Ryan Farnworth and Cory Slaymaker. They build ties to the children they teach. They teach about drugs, esteem building, peer pressure and “how to say no”. These ties last far beyond when the children are in school. They become friends to the officers for life. They take the skills learned in class and use them throughout their lives. There is no exact measure of the success of the program, other than that of watching it work in the field time and time again. To complete the DARE program it takes 377 hours of manpower. This includes actual teaching time, preparation time, and graduation. They teach 29 classes throughout the year. There was a total of 829 students. There are 13 lessons in the DARE curriculum.

## **Traffic School**

Traffic School both “in the classroom” and “on line” has been a great success. The school is very educational and public relation minded. These classes are a very valuable tool. The classroom setting provides officers an opportunity for one on one contact with the people who live in the community. During 2011, 458 persons attended traffic school at the police station while 138 persons took traffic school over the internet.

The Fourth District Court required a new system of accepting money for a Plea In Abeyance. This required the defendant to post the full bail amount. The defendant would then be required to come to the police department and post a \$60 fee for traffic school. With the increased cost posed by the Court our attendance at traffic school is continually decreasing.

## Public Presentations

The department conducted 93 public presentations in 2011. This would include presentations such as: bike safety presentations, finger printing merit badges, stranger/danger, cub scout tours at our office and personal safety presentations. These presentations were held at various locations in the community such as: churches, schools and at the police station.

## Alarms

The Patrol Division responded on 543 alarm calls in 2011. 521 of those were false alarms. False alarm calls are very hard on the officers mentally because they need to respond to each of these calls as if a crime was in progress. It becomes difficult to keep officers motivated to use officer safety protocol when you have so many false alarms. The number of alarm calls decreased by 16% in 2011 and decreased 28% since adoption of the false alarm code. The false alarm ordinance requires all residents and businesses who have alarms to register them with the police department. It also establishes fines for those who continually have false alarms.

## Service Calls

The Patrol Division is very service oriented. We respond to many calls for service each year. These calls include any and all times an officer is called to assist the public.

- 2011 14,081 calls for service
- 2010 14,408 calls for service
- 2009 14,358 calls for service
- 2008 14,651 calls for service
- 2007 14,289 calls for service

# DEPARTMENT STATISTICS

## Calls for Service

A call for service is a request for assistance from someone in the community. Most calls handled by the department are calls for service as opposed to crime calls. These may include: helping a motorist, fingerprinting, civil problems, accident reports and public presentations. The majority of the officer's time is spent on these types of calls. The charts below include ALL calls that officers responded to in 2011 which totaled 14,081. Along with those calls, 11,771 telephone calls were answered by the office secretaries.

During the year officers handled an average of 39 calls per day. The secretaries handled an average of 47 phone calls and numerous walk ins per day.

### Calls by Hour of the Day

### Calls by Day of the Week

The following table lists each type of Call for Service officers were dispatched to and the number of times they were dispatched.

|                               |     |                               |      |
|-------------------------------|-----|-------------------------------|------|

# Arrest Statistics

## Traffic Accidents

Spanish Fork Police Department takes traffic enforcement very serious. Nationally, more people are injured and die from motor vehicles accidents than all crimes combined.

| Month        | Total      | Damage     | Injury     | Fatality |
|--------------|------------|------------|------------|----------|
| January      | 61         | 49         | 12         | 0        |
| February     | 44         | 35         | 9          | 0        |
| March        | 53         | 44         | 9          | 0        |

# DEPARTMENT HISTORY

## Life Saving Awards

On October 13 East Meadows Elementary student, Logan Powell, unexpectedly collapsed on the playground. A fellow student Halle Witt told the PE teacher Becky Paice. She quickly called the office and secretary Janell Haskell and office assistant Linda Beck responded. Mrs. Haskell began CPR while Mrs. Beck called 911 and gave instructions. Jen Jolley, Logan's teacher, and Mr. Garrett Andersen, mentor, also came to assist.

The police department responded very quickly with Lt. Steve Adams showing up within a couple of minutes. He was quickly followed by Lt. Brandon Anderson and Officers Tyler Beddoes, Cory Grover and Jason Harward. The officers used the AED (Defibrillator) to get Logan to respond. Within a few minutes the ambulance arrived and took Logan to the hospital where he was then life-flighted to Primary Children's Hospital. Logan was diagnosed with a heart defect and is now recovering from open heart surgery. The doctors have credited the fast actions of these first responders for saving Logan's life.

Logan and his family made a presentation to those people involved in saving his life at City Council Meeting. Our officers also received department Life Saving awards.

front row: Logan Powell, Hallie Witt  
back row: Dwight Liddiard (Principal at East Meadows Elementary School), Becky Paice, Jennifer Jolley (Employees at East Meadows Elementary) Officer Cory Grover, Lt. Brandon Anderson, Officer Jason Harward, Officer Tyler Beddoes, Lt. Steve Adams, Janell Haskell, Linda Beck, Garrett Anderson (Employees at East Meadows Elementary School)

## National Award

Lt. Carl Johnston was awarded the Veterans of Foreign Wars National Law Enforcement Officer of the Year award. Sgt. Matt Johnson recommended Lt. Johnston receive the award. Warren Johnson, our local VFW Post Commander took care of the nomination. Lt. Johnston won on the state level, regional level and then on the national level. Congratulations to Lt. Johnston on an award well deserved.
