

SPORTS PARK RIVER TRAIL PROJECT

Description –

This project will construct about a mile long trail mostly along the river at the Spanish Fork Sports Park. The Sports Park is located at approximately 300 W Volunteer Dr (700 S). About \$36,000 of the trail costs will be funded by a federal grant.

This trail will eventually be a pedestrian with an equestrian way on one side. In the future we plan for it to extend from Utah Lake to the future [Bonneville Shoreline Trail](#) alignment on the bench.

Project Scope –

This project will construct approximately 1 mile of 10 foot paved trail.
