Staff Present: None

I. Review Minutes from meeting held November 7th.

Motion - Jerry

Second - Doug Brown

Motion passed

II. Festival of Lights

Dale asked for feedback or suggestions on the festival of lights. They liked the new route but said some places were a bit scary because it was dark along the river. Dale said they had fixed those places by adding some lighting to those areas. All the comments were positive and no suggestions for improvements were given (other than the dark areas).

III. Proposed Golf Fees

The proposed golf fees that were discussed last meeting were handed out for review. This was just to get some feedback from the members. Gladstan just approved their new fees last Wednesday and they are identical to what we are proposing. We haven't increased fees for three years and feel it is necessary to keep up with the market and not get too far behind. These fees will be going to the council tomorrow night. Doug Snell expressed a concern for the seniors and the juniors that we need to take care of them. Most all of the juniors buy the monthly pass which is the best deal. We don't have anyone buy the junior season pass so we may need to just do away with it. Doug Brown made a motion to recommend to the council to approve the proposed fees. Raymond seconded the motion and it passed unanimously.

IV. Arena Update

We have dug 20 holes for footings and things are underway. Everything is going well. The steel will be delivered in the next two to three weeks and things will start going up shortly after it arrives. It was suggested that we put the new arena online for the public to see. Dale said that they are waiting for a more accurate rendition since it has gone through several revisions since the first drawings. That should be ready to post online in the next couple of weeks.

V. Christmas Gifts

Dale brought jackets for the committee members to try on for size. The city is buying these for Christmas Gifts. Everyone was present and all sizes were recorded.

VI. Other Business

Doug Snell would like me to get the resource for the jackets so he can look into buying some for his staff at the school. He also wants to know who built the pavilion at abbie court. He wants to buy one for the center grass area at the high school. Dale will email that information to him.

It was mentioned that sizing for Christmas Gifts must have encouraged everybody to come. Just for the record, the last time we had all ten members of the committee in attendance to this meeting was April 7, 2008. Thanks for what you do! Your time commitment is very much appreciated!

VII. Next Meeting: Monday, January 9th @ 5:00 p.m.
