

Dear Interested Party:

We are so happy to announce the Spanish Fork Kite Festival and "Go-Green" Expo coming this September 5 & 6, 2008. The AIM of the Festival is three-fold:

- To RIBBON-CUT (Welcome) the New Wind Farm Turbines (first in Utah) to the area
- To celebrate WIND POWER with a premiere Kite Festival (hosting water craft kiting, para-foils, and the award-winning Berkley High Fliers (100' Octopi Kites)
- To feature selected products that are eco-friendly, use alternative power sources, and generally help folks to learn more "green" practices

Hence, we are anxious to promote vendors who would be willing to help educate the public about products and services that are available. We are excited to bring about change through exposure and education. This festival begins at 12:00 noon on Friday, September 5, 2008 and continues through the day until 6:00 p.m. on again on Saturday, September 6, 2008 (10:00 a.m.- 6:00 p.m.)

The venue site is located high up on the ridge at the Spanish Fork Gun Club campground area. There are numerous campsites located on a road with a turn-a-round at the far end. We are calling this area--the Green Walk Expo and some of the sites will feature a Balinese Kite Garden with beautiful hand-painted kites (some of them 10' in diameter), re-cycling, segues, etc.

To reserve a spot, the entire weekend will cost \$150.00. Please call me with your specific space and power needs. This EXPO is all outdoors so you might want to bring pop-up tents or umbrellas to help provide some shade for your staff. This is not like an indoor expo with limited space, you will have a lot more room (tent pad, driveway, picnic table, etc.) in which to display your services or product.

We are also looking for sponsors for this event. Please find an attached sponsorship level information packet. Sponsors will be granted the best sites as well as be included in the VIP luncheon and festivities with the Governor's office.

Please fill out the attached information sheet and fax to 801-798-5005 attention: Elaine Hansen. Thank you for your interest in the Spanish Fork Kite Festival.

Elaine Hansen
Event Manager Spanish Fork City
(801) 472-9913 or (801) 362-2406

Current Sponsors include: *Utah Clean Energy, Rocky Mountain Power, Edison Mission International, Spanish Fork Cable Network, Daily Herald, Klune Industries, and Spanish Fork City.*
