This winter Aaron will offer indoor golf lessons; \$20.00 for a half-hour of interactive video and analysis for state-of-the-art golf instruction. Aaron brings the power of instant visualization to your lesson. Call the pro shop today 798-9816 for more details or to arrange your lessons.

15th Annual Festival of Lights

The Festival of Lights has been a part of this great community for the past 15 years and to celebrate, we are adding a few new features for all to enjoy. First, if your group has wanted to go for a hayride this winter, we've got one for you. Each **Tuesday** and **Wednesday** before Christmas, you can schedule your own private hay ride through the Festival. Just call the recreation office at 798-5068 to reserve your ride for groups up to 40 people. Price for the hay ride range from \$40 to \$60 depending on the size of

the group. We also made a few phone calls to the North Pole and pulled a few icicles and have arranged to have the Jolly Old Elf himself on **Thursday** nights before Christmas. As you drive through the park you will see his little work shop, and if you come on a Thursday night, you may even get to see him! Also, the 15th car each night will be free and on **December 6**, the 15th night of the event, every 15th car will be free will be free.

If you have been every year or if this year will be your first, make sure the Festival of Lights is on your Christmas to do list.
