

# GOOD THINGS ALL AROUND

## FIREWORKS SAFETY IN THE CITY AND AROUND

The holidays on July 4 and July 24 bring out the fireworks. While these flame throwers are awesome to watch, they can be dangerous to people and to the dry landscape around Utah. As you purchase fireworks, Spanish Fork City reminds you of the local laws associated with discharging fireworks found in the Municipal Code §9.40.010:

1. The use of fireworks is prohibited in all of the Industrial 3 (I-3) zones;
2. The use of fireworks is prohibited in all areas south of the Spanish Fork River from the west end of the Spanish Oaks Golf Course, eastwardly to the city limits;
3. The use of fireworks is prohibited within 200 feet of any open field, unimproved lot with dry vegetation, or a lot with a vacant building and dry vegetative growth on the lot.

According to State law, fireworks can be discharged until 11 pm, except on the nights of the 4th and 24th, when they can be discharged until midnight. Remember to be smart and safe this year as you celebrate the holidays.

## FIESTA DAYS INVITES YOU TO DREAM BIG

The 2012 Fiesta Days begins this year with the Movie in the Park and ends with the Ryan Shupe concert and the My Fair Lady play and in between, you'll have a ton fun.

The new rodeo grounds are almost complete and when the rodeo begins this year, you will be a part of history. Be sure you buy your tickets now to get the best seats in the new arena. You do not want to be left out of the inaugural year. Rodeo tickets can be purchased and Fiesta Days information can be found online at [www.spanishfork.org](http://www.spanishfork.org).

Also, look for your own personal guide to this incredible community celebration in your mailbox around July 4th.

### DEAR MAYOR AND CITY COUNCIL

From Left to Right, Back Row: Steve Leifson, Mayor Wayne Andersen, Richard Davis, Keir Scoubes; Front Row: Brandon Gordon, Rod Dart.

Full calendar at [spanishfork.org](http://spanishfork.org)

**NEW NON-EMERGENCY DISPATCH NUMBER**

The non-emergency telephone number to request police or fire assistance has changed. As always, if you have an emergency – to save a life – to stop a crime – to report a fire – you should call 9-1-1. However, if your need does not fit the emergency criteria, you should call the new ten-digit non-emergency number which is 801.794.3970.

**AN OUNCE OF HOME PREVENTION**

As your home is perhaps the biggest investment you will ever make, performing routine maintenance couldn't be more important. Summer is the best time of year to walk around the home and fix problem areas. Maintaining exterior door trim, decks, window caulking and leaky rain gutters could help avoid more expensive repairs. Neglecting these areas may lead to water penetrating the home's exterior and potentially causing water damage. For more information, contact a licensed contractor or call the Building Inspection Division at 801.804.4540.

**AUDIT OF BROADBAND AND ELECTRIC UTILITIES**

City employees will be knocking on your door in July and August to perform an audit of city services. The employee will not need to enter your home, but depending on the location of the utilities around your home, the employees may be required to go into your backyard. The purpose of the audit is to verify that every home is receiving the services they have requested and pay for each month. They will also review the home's electric meter to make sure that all the seals and parts of the meter are safely installed. If you have any questions about this audit, call 801.798.2877.

**MEET ME AT THE FAIR**

Announcing the 2012 Utah County Fair, "Meet Me at the Fair", August 15-18<sup>th</sup> at the Fairgrounds in Spanish Fork.
