A SUCCESSFUL RODEO—THANK YOU TO THE FANS!

The 2012 Fiesta Days Rodeo was a huge success. The fans loved the new arena, the cowboys performed well and the animals were amazing.

This year's rodeo marked 28 consecutive sellout performances of the Fiesta Days Rodeo; a string of sellouts 7 years in the making! This only happens because of the amazing fans! Thank you. To guarantee that you get tickets for next year, buy your 2013 rodeo tickets today by calling 801.804.4500.

Every year after the rodeo, the committee receives feedback from several sources. This year the committee has heard lots of feedback that will be studied during the coming months and the committee will work to find a balance between advertising the wonderful sponsors and keeping the event moving smoothly. Thanks for a great rodeo and we'll see you back next year.

Congratulations to our own Kaycee Feild for winning the bareback riding with a score of 85 points.

GARBAGE NOTES

The City supplies trash cans for residents to use, but these cans are owned by the city and leased to residents. You are responsible to keep the can clean and not overloaded.

Residents should call the city when a garbage can is broken. If a garbage can cannot be repaired, a new garbage can is supplied. The City repairs damaged cans whenever possible, instead of always replacing them, keeping costs down. City staff will determine the necessary action.

Every Saturday through November 5

- 8am to 1pm @ Center & Main St.
- Produce & Food Products only

More info for patrons & vendors available on the chamber's website: www.spanishforkchamber.com

A FEW THINGS TO NEVER FLUSH DOWN THE TOILET

It seems no one worries about what happens to the water when it goes down the drain or is flushed as long as it does go down the drain. The truth is there are a lot of normal things that can harm the environment if they are sent down the drain. Here is a short list of items to never flush or drain:

- Feminine products
- Dirty water from carpet cleaning
- Paint and paint thinner
- Unused medicine
- Overused drain cleaners
