### OPT-OUT RECYCLING GROWS AGAIN!

During the last week of November, recycling cans will be delivered to residents living in the southeast portion of the city; unless they have already opted-in or opted-out of receiving a can.

With a price tag of only \$3.61 a month, this great initiative is too great a deal to pass up. If, however, you would prefer to not take advantage of it, you may opt out at [www.spanishfork.org/recycle](http://www.spanishfork.org/recycle) or call 801.804.4666.

If you are on the fence about the recycling program, we have made it easy for you! Your first month is free and you can opt-out anytime during the first two months after receiving the can. After that, you may opt-out of the program every December. Go ahead and try the can out. You may just find that reusing resources and preserving the environment suits you.

### ANOTHER NEW BUSINESS COMING TO TOWN

Spanish Fork City is excited to welcome Chick-fil-A to the community! Chick-fil-A will be located next to Burger King in the Expressway Square development on US Highway 6. We expect construction to commence this winter and Chick-fil-A to be open in the spring or summer of 2015!

### SFCN GOES ALL DIGITAL!

SFCN recently went all digital, now showing a better cable picture. With the growth of digital TV's out there, some may be using a set top box or DTA that you no longer need. Please return them to SFCN (65 S 630 West).

SFCN provides up to 2 DTA boxes per active customer free of charge. If these boxes are not returned upon terminating cable services, customer will be charged \$60 per DTA box.
