**SFCN Cable TV
 Rate Increase**

SFCN will raise cable TV rates, effective April 1, 2017 as outlined below. This rate increase is due strictly to the cable networks (i.e. FOX, AMC, etc.) raising the prices that SFCN is required to pay them for their programming. We at SFCN dislike these rate increases as much as you do and we wish the content owners would STOP increasing their rates.

If you have any questions or concerns, please call our 24-Hour technical support line at 801-798-2877 or for further information go to: www.sfcn.org/rates/

Thank you for your continued support!

Package	Old Price	New Price
Basic	\$18.76	\$19.79
Expanded Basic	\$69.04	\$74.38
Super Digital	\$82.83	\$88.50
Full Package	\$114.84	\$120.51
Triple Play	\$111.00	\$116.34

Utility Payment Scam

Residents have reported calls from someone pretending to be a Spanish Fork City employee. These imposters threaten to shut off power if payment is not made immediately and then pleasantly ask for a credit card number.

Due to the high volume of utility customers, the city does not personally call every individual that is delinquent on their utility bill. Rather a mass communication system is used to send out automated phone calls, text messages, and email reminders to citizens.

If you ever wonder if it is Spanish Fork City on the other end of the line; simply hang up and call the utility office at 801.804.4500.

Senior Companion Program

HELP WANTED: Have fun, be of service and earn **\$200** per month by serving in your community! The Utah County Senior Companion Program is looking for seniors 55 or older, who would like to serve seniors in their community by taking them shopping, medical appointments or just being a friend. Senior Companions receive compensation for their time and reimbursement for mileage. Companions must be income eligible, earn less than \$1915 per month/single person and \$3102/married person, be willing to serve 15 hours per week and have the desire to help others. Call **801-851-7767** for questions or an application visit www.utahcountyhealth.org/seniorcompanion

Spanish Fork Community Theater is proud to present Disney's The Little Mermaid as our Fiesta Day's show for 2017! We are really excited to be able to put on this great family show for our community and we need YOUR help!

Auditions for ages 13 and up, will be held at the Diamond Fork Jr. High School on:

Thursday April 20 from 6:00pm - 9:00pm

Friday April 21 from 6:00pm - 9:00pm

Saturday April 22 from 9:00am - 12:00pm

Please be prepared to sing 16 measures of a Broadway style song and be ready to do a little dancing. Callbacks will be the following Saturday, April 29 by invitation only. If you can't make these times but would like to audition, please contact us for a special time. We are excited to see all the talent from our community! For more information, please visit sfctonline.org.

Gutter Clean Up

A clean gutter:

- Helps improve the look of the community,
- Reduces flooding, pollution, and storm drain maintenance costs

We encourage you to keep the gutters in front your home clean and we thank you for all your efforts to make our community a great place to live.

Pressurized Irrigation Water is Coming: Be Prepared

The pressurized irrigation water will be turned on by April 15 or sooner, depending on the weather. Sometimes cold winter temperatures cause problems with sprinkler systems. Without careful observation, these problems can flood your yard and home if your sprinkler system turns on. It is best to make sure your pressurized irrigation service is turned off at the meter before the city system is energized.

To turn your pressurized irrigation water off, locate your pressurized irrigation meter box. This is typically a green box just behind the sidewalk in your front yard. There will be a valve in the meter box or in a round box near the meter box that will need to be closed. To close it, turn the valve so that it is perpendicular to the pipe going into your yard. If you have sprinkler system filters, check to make sure they are clean. Please be sure to securely replace the lid on the box when you are done. If you have a leak in your meter box call the city at 801-804-4440 option 2.

Mayor's Corner

This time of the year is the annual meeting of our state legislators.

We are fortunate to have great legislators that serve in our area.

Those that represent Spanish Fork are: Rep. Francis Gibson, Rep. Mike Mckell, and Senator Deidre Henderson. They have always been willing to listen and help any time I have called them. I know that each one takes their responsibility very seriously and tries to do what is best for the cities they preside over. I would like to let all of our state legislators know how much we appreciate everything they do and for the time they spend representing all of us. "Thank You."
