GUTTER CLEAN UP

Please keep the gutters in front of your home clean and try to clean out as best you can under driveways that bridge over the gutter.

A clean gutter:

- Makes the community look nicer.
- Reduces flooding in rain storms.
- Reduces pollution in our streams.
- Reduces storm drain maintenance costs.

Thank you for all your efforts to make our community great!

PI SYSTEM SHUT DOWN

The pressurized Irrigation System will be shut off on or around October 15. Please plan your watering schedules accordingly. Once the system is shut down please be sure to turn off your sprinkler system. This will help prevent flooding in the spring.

In order to turn off your sprinkler system, open the green PI box that is located near the sidewalk. Turn the valve in the box perpendicular to the pipe. Please watch out for spiders. It is also a good idea to take the time to unhook your hoses from your outside water faucets to help prevent water freezing inside of the pipe.

SNOWSTORM PARKING

A City ordinance requires residents to not park anything along the streets once snow starts accumulating and during snowplow operations for up to 48 hours after a snow storm. This will help make sure our streets are plowed quickly, thoroughly, and safely. We also expect fewer incidents of damaging parked vehicles and trailers by plowing operations. For more information, visit:

VOLUNTEER WITH MOUNTAINLAND RSVP

Mountainland RSVP (Retired Senior Volunteer Program) helps people age 55+ find volunteer opportunities that meet specific community needs in areas such as: education, hunger, disaster response, and more.

We are looking for new volunteers in all volunteer areas, but especially to tutor in local schools, deliver Meals on Wheels, or serve with CERT. To join the **free** program, contact rsvp@mountainland.org or call (801) 229-3820. For more information about the program visit www.mountainland.org/rsvp.
