Moana Jr.

Spanish Fork Youtheatre presents Moana Jr. on March 12, 13, 15, and 16. Performances will be held at Maple Mountain High School Auditorium. Ticket prices are \$3 and can be purchased online at sfcitytix.com. On Monday, March 11, we will hold a special rehearsal performance at 5 p.m. for those of elementary school age who would like to learn more about theater. Watch for a school flyer to come home with your child with a special discount code!

Green Waste Disposal

Residents can download 3 free vouchers a year that allow them to take loads of green waste to the transfer station. The transfer station is located at 2450 W 400 S in Springville. These vouchers give a \$10 credit for each load, which is the typical charge for a pickup-truck-sized load of covered green waste (440 lbs). You will need to download, print, and bring the paper copy of the voucher to the transfer station when you drop off your green waste. They will not accept the vouchers electronically. Vouchers are scanned to ensure that no more than 3 are used for each residence. Download vouchers at spanishfork.org/greenwaste.

General Plan Land Use Update

Spanish Fork City is beginning work to update the City's future land use plan, commonly referred to as the General Plan. The General Plan is intended to guide the City Council when they make land-use decisions. These plans are typically updated every 10 to 15 years and have lasting influence on how communities develop and change. The following QR code will connect you to a resident survey and will explain more about the project and help you stay informed with the progress and events of this exciting update.

Avoid Overhead Power Lines

When working on a building or on a ladder outside, look up for power lines and stay as far away from them as possible. Do not get closer than 10 feet to any power line. It is best to use wood or fiberglass ladders and carry ladders down by your side, not with the end up.

Do not trim trees around power lines. Instead, call the City at (801) 804-4541. Do not plant new trees under power lines. If you ever see any downed power line, stay away, keep others away, and call 911.

NOTICE OF PUBLIC HEARING

Spanish Fork City and Water Quality Board

Notice is hereby given that a public hearing will be held before the Spanish Fork City Council on Tuesday, February 20, 2024 starting at 6:00 p.m. in the Spanish Fork City Council Chambers located at 80 South Main Street, Spanish Fork, Utah. Time will be allowed for public comment both for and against the following item:

Application to the State of Utah Water Quality Board (the “Board”) for the purchase of approximately \$4,500,000 Spanish Fork, non-voted sewer revenue bonds. The bonds would be paid back with an interest rate of 1.12% over a period of approximately 20 years. Spanish Fork City (the “City”) does not anticipate raising sewer rates in connection with the issuance of the bonds, however, moderate rate increases are anticipated in connection with the construction of the overall wastewater treatment facility that will be financed in part with proceeds of the bonds. The funding is contemplated for the construction of improvements to the City’s sewer system and all related improvements.

It is the policy of the Board to provide a 15-day period for public comment prior to the purchase of any non-voted revenue bonds. In this regard, the Board wishes to solicit the comments of the sewer users (either for or against the project). Interested individuals are encouraged to respond before February 20, 2024. Verbal comments may also be made during the hearing. Written comments should be addressed either to Spanish Fork City or the Water Quality Board:
