Each city will supply jerseys and hats to their teams. Players must wear their jersey in order to play. Any exception to this must be indicated by league directors to game day officials. **DO NOT play players that are not on your roster.**

RULES:

This league will be governed by High School Federation rules. The following are additions:

1. All bats must meet BBCOR standards and have the approved stamp to be used -3 or less. Wood bats may be used.
2. Teams will play with four outfielders. Outfielders must start each pitch on the outfield grass. Only registered players are allowed to play. Teams that are found to violate this rule will not play in the post-season tournament.
3. Sliding is optional and not mandatory. Players have the option to slide but if a player does not attempt to get around the player and causes malicious contact will be ejected from the game. Some contact will occur. Umpire's discretion on attempt and maliciousness. Any fielder that blocks the base path without possession of the ball will be called with obstruction. Plowing over or into a catcher or any baseman is grounds for ejection.
4. **No automatic outs.** Please do your best to field a team. Teams are traveling & expecting to play.
5. **No new inning after 1 hour and 50 minutes.** Games that play 1 hour or 4 innings will be considered a complete game if weather doesn't permit the game to be completed. On fields where two games are scheduled, the first game will end in a tie. Games where we can break a tie, teams will be allowed **one** extra inning. The extra inning will be international (last out starts on 2nd base). If still tied after the extra inning the game will end in a tie.
6. If teams are scheduled back-to-back days, pitcher who throw 16 outs must have a complete days rest before pitching again. No back-to-back days of pitching if day one was 16 outs or more. Pitchers are allowed 24 outs per day and 39 outs for the week.
7. **Mercy Rule: 10 runs after 5 innings of play. 14 after 4.**
8. The team listed first will be the home team.
9. Pregame warmups must be done on the outfield grass. No warming up in front of the dugouts.
