

Spanish Fork Public Safety Annual Report 2021

Compiled by:

MESSAGE FROM THE CHIEF

The Spanish Fork Public Safety department continues to grow to meet the needs of the city. This past year our City Council approved two new Police Officer positions and one full time Ambulance Captain.

The police department has 41 positions for police officers and gratefully we have been able to fill these positions as they come open. Many cities across Utah as well as across the Nation are having a difficult time recruiting and retaining officers. I believe there are many reasons we do not find ourselves in that same position namely a supportive City Administration, Mayor, Council and of course our Citizens. Our police officers have such a strong desire to serve and protect this wonderful city and it shows in their daily activities both on and off the job.

Chief Steven G. Adams

Our Firefighters are some of if not the best firefighters in the State. Their service to the community is unparalleled by any other department. They train together weekly and often invite neighboring cities to train with them. They have one of the biggest response areas of Utah County from West Mountain to the top of Spanish Fork Canyon. Not only do they serve our community but on occasion are also asked to help our neighbors when there is a need. I should mention that we too ask our neighbors to help us and they have been more than willing and able to assist us when the need arises.

SPANISH FORK DEPARTMENT OF PUBLIC SAFETY

ANNUAL REPORT 2021

Our Ambulance department has now run out of Station 62 for a full year. With the Spanish Fork Hospital and our population increasing we are responding to many more calls. Having the Spanish Fork Hospital has made our travel times to a hospital shorter which is certainly a blessing for our community. We are in constant need of EMT's that can work the hours and shifts to serve the citizens.

Your Public Safety Department continues to serve you with honor and gratitude. We see community support daily. This support is appreciated more than can be expressed in words. This truly is the best community to serve, live and raise a family.

For Public Safety to succeed we need community involvement. We are grateful to those citizens who get involved in positive community actions. I urge you to continue to do so. **Get involved and make a difference.**

If you have any needs or desires of your Public Safety Department please contact us.

ADMINISTRATIVE DIVISION

The Administrative Division provides services to the public as well as to other Divisions within the Police Department. Our goal is to serve the citizens and officers. When citizens respond to the Police Department for assistance, the Administrative Division is the initial contact and our members guide the citizens to the appropriate personnel.

Lt. Brandon Anderson

The Administrative Division consists of the administrative sergeant, support staff, victim advocate, animal control officer, code enforcement officer, emergency preparedness manager and numerous school crossing guards. The Division is responsible for the maintenance and dissemination of public records, training, cataloging and custody of evidence, computer systems, new recruit hiring, policy review and implementation and fire and ambulance billing.

Victim Advocate

Spanish Fork City’s Victim Services Program strives to ensure victims of crime receive assistance, information, resources and support to help them through a very difficult time while protecting their constitutional rights.

Heather Frost

Victim Rights

Utah Constitution declares victims of crime have the following rights:

- To be treated with fairness and dignity and respect.
- To be informed of, be present at and to be heard at important criminal justice hearings.
- To have a sentencing judge, for the purpose of imposing an appropriate sentence, receive and consider, without evidentiary limitation, reliable information concerning the background, character, and conduct of a person convicted of an offense.

South Utah County Community Oriented Policing (COP) Meeting

South Utah County COP Meetings are held monthly at the Spanish Fork Police Department. At these meetings, representatives from community service providers along with representatives from law enforcement join together to collaborate & discuss ways to work together to provide services to community members who are victims of crime, who experience mental health issues, homelessness and those who are in need. Currently representatives from Wasatch Mental Health, Utah Valley Regional Medical Center, Mountain View Hospital, Provo Behavioral Hospital, Adult Protective Services, Division of Child & Family Services, Food & Care Coalition, Tabitha's Way, Adult Probation & Parole, along with Spanish Fork, Santaquin, Payson, Salem, Springville and Mapleton Police Departments and Utah County Sheriff Office attend these meetings.

Funding

The Victims of Crime Act, passed in 1984 under President Ronald Reagan, created the Victims of Crime Act Fund, or VOCA Fund, to be a protected and dedicated source of funding for crime victim programs. The VOCA Fund does not depend on taxpayer dollars - it is derived from fines and penalties on offenders at the federal level. Spanish Fork City applied for VOCA funding, the Utah Office for Victims of Crime reviewed and approved the applications and awarded the following amounts to serve victims of crime in Spanish Fork City.

2017-2019 VOCA Grant	\$103,661.61 (two year grant)
2019-2021 VOCA Grant	\$126,116.62 (two year grant)
2021-2023 VOCA Grant	& 89,210.92 (two year grant) *

*Federal funding decreased greatly in the 2021-2023 grant cycle. Agencies throughout the State were required to reduce funding requests significantly.

INVESTIGATIVE DIVISION

The Investigative Division has the responsibility of conducting proactive investigations as well as investigations on criminal and non-criminal cases such as: arson, burglary, robbery, theft, forgery, fraud, identity theft, homicide, assault, kidnapping, sex offenses, public health and safety crimes such as weapons offenses, alcohol, tobacco, illegal drug use, drug trafficking and pornography violations. Some of the non-criminal cases are runaways and death investigations.

Lt. Matt Johnson

The Investigations Division is responsible for general investigations as well as numerous special investigative responsibilities. Some of the detective assignments are general investigator, drug enforcement officer, Utah County Major Crimes Task Force and school resource officers.

The Lieutenant directly supervises the Sergeant. He is responsible for reviewing cases and assigning the cases to the detectives for follow up investigations and monitoring their performance and quality of work. He also assists in investigations and major investigations as needed.

The Sergeant directly supervises eight detectives. He also carries a caseload of active investigations and follows up on these investigations. He closely monitors the investigations conducted by the detectives under him and provides assistance and suggestions as needed.

PATROL DIVISION

The Patrol Division is comprised of one Lieutenant, four Sergeants and 19 officers. The primary responsibility of the Patrol Division is to provide 24 hour a day police response. Officers respond to calls for service in both emergency and non-emergency situations.

Lt. Cory Slaymaker

Aside from responding to dispatched calls, officers are responsible for patrolling neighborhoods, enforcing traffic laws, enforcing city and state codes and ordinances, investigating traffic accidents, providing traffic control, investigating cases, providing presentations to citizens of the community, and other duties as assigned.

The patrol officers are most likely to be in direct contact with the public. We strive to provide the best possible customer service to the public. Our patrol officers are of the highest integrity and bring honor to the uniform and to the City of Spanish Fork.

DEPARTMENT STATISTICS

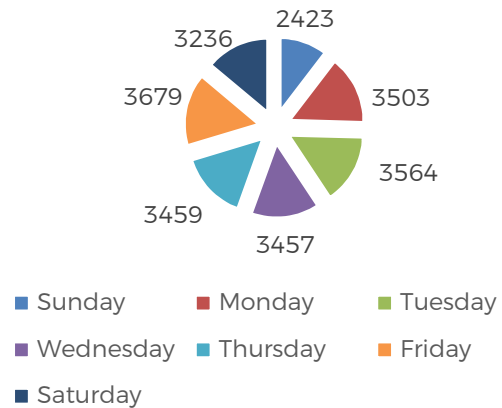

Calls for Service

A call for service is a request for assistance from someone in the community. Most calls handled by the department are calls for service as opposed to calls reporting a crime. These may include someone calling for help in opening a locked car, a traffic accident, public presentation requests, etc. The majority of a patrol officer's time is spent on these types of calls. There were a total of 23,321 calls for service in 2021.

DEPARTMENT HISTORY

Retirees

Trent Shepherd

In September Officer Trent Shepherd submitted his letter for retirement. Trent worked his entire 20 year career with our department. During his years here he held positions such as patrol officer, school resource officer, field training officer and served on the honor guard. Trent was a great friend to all and was fun to be around. We wish him well in his retirement.

Ryan Farnworth

In December Officer Ryan Farnworth retired from the department. Ryan came to our department with seven years of experience from Mapleton Police Department. Ryan was very helpful to his co-workers and was always friendly with everyone. His assignments included DARE officer, field training officer, school resource officer, detective and patrol officer. Good luck to Ryan in his future endeavors.

New Hires

Brandon Beebe

Brandon Beebe was born and raised in Spanish Fork. He graduated from Maple Mountain High School in 2015 where he participated in football and baseball. After graduation Brandon served an LDS mission from 2015-2017, teaching in American Sign Language. He attended the SLCC police academy and worked for Springville PD for two years. He has worked here for one year. Brandon is married and they enjoy being in the outdoors together. His favorite hobbies are golfing, camping and spending time with his family.

Benjamin Besendorfer

Ben Besendorfer was raised here in Spanish Fork and graduated from Maple Mountain High School. Ben worked the past four years with the West Jordan Police Department. He recently made “one of the best decisions of his life by switching to this department.” Ben is excited to serve the people in our community.

Cade Hooley

Cade Hooley was raised in Lindon Utah and graduated from Pleasant Grove High school. After graduating from high school Cade served a two year LDS mission in Milwaukee, Wisconsin. Cade attended SLCC Police Academy and started his career with Mapleton Police Department. Cade and his wife Shelby moved to Spanish Fork and have two kids. In his free time Cade enjoys the outdoors, hunting, fishing and playing golf. "I can't express how happy I am being able to serve the residents of Spanish Fork

and being a part of the best department!"

We welcome these fine officers to the department. They will be a great asset to the City.

Award

Detective Brandon Johnson attended the Utah Narcotic Officers Association annual conference. While there he was presented the award for the 2021 Narcotic Officer of the Year. Detective Johnson has been instrumental in taking large amounts of drugs off the streets while serving in this position. Congratulations Detective Johnson on a well-deserved award.

This is an excerpt from his nomination form:

“Brandon has a huge heart. He is very service oriented and has never turned anyone down who has needed his help. Like many others in this profession, Brandon does not do this job for the money but for the satisfaction of making a difference. Several of Brandon’s confidential informants that previously viewed law enforcement in a negative way have thanked him for helping them change their lives and their outlook on law enforcement. Brandon’s legacy will live on forever as he has focused on sharing his knowledge and experience by training newer members of the task force and giving them the tools needed to be successful.”

Missing Person Case Solved

In 1988 Peggy Sue Case was reported missing from Spanish Fork. Lt. Carl Johnston worked that case for many years. Since the time of Peggy's disappearance, Carl has had that case file on his desk and on his mind until the day he retired.

In May of 2017 a Spanish Fork resident reported that something was amiss in his yard. He lives in the home that Peggy and her boyfriend, Michael Kufrin, lived in at the time of her disappearance. Officers responded to this residence and searched a small root cellar on the property. They observed bones wrapped in blankets in the shed. They immediately called out Spanish Fork Detectives and the Utah County Crime

Scene Team for them to process the scene. Human remains were found in the shed. These remains were sent to the Utah State Crime Lab for processing. The results of their testing showed the remains were that of Peggy Case.

With this new information many more man hours were spent investigating the case. A warrant was issued for Michael Kufrin and he was extradited back to Utah.

A trial was held in July of 2021 and Michael Kufrin was found guilty in the homicide of Peggy.

Firefighter Passes Away

It is with great sadness that we say farewell to one of our own. Firefighter Joe Jarvis passed away on Wednesday, December 22nd. Joe served the citizens of Spanish Fork for over 30 years as a Fire Fighter and as the Fire Marshall. Joe was able to serve along side his brother and sister and follow in his father's footsteps. The Jarvis family provided much service to the City and its residents.

Joe you will truly be missed.

AMBULANCE DEPARTMENT

Committed to Give So Others May Live

The Ambulance Department responds to numerous calls per year and treats thousands of patients. The members are active in the community teaching CPR classes, participating in health and safety fairs and providing services during many of the city activities. They respond with the fire department on all structural fires. Members are well trained to keep abreast of the changes in medical care.

EMERGENCY PREPAREDNESS

This year's emergency preparedness efforts have been primarily focused on helping each city department plan and prepare for disasters that they could face on a regular basis. Through these efforts, each department becomes more prepared to plan for, respond to, and recover from disasters. Each department will better understand their role in disaster response, hazard mitigation efforts, prioritizing their duties, and restoring community lifelines. Another main focus this year has been community outreach. Through working with the Chamber of Commerce, we are offering business and community preparedness and resiliency courses, the CERT program, and other educational opportunities, such as preparing your family and neighborhood for disasters. This is an ongoing effort, and we have seen tremendous growth over the last few years.
