

Management Standards for Hazardous Waste Pharmaceuticals and Amendment to the P075 Listing for Nicotine

To all Healthcare Facilities and Reverse Distributors,

On February 22, 2019 the EPA signed the final rule titled “Management Standards for Hazardous Waste Pharmaceuticals and Amendment to the P075 Listing for Nicotine” which establishes and updates standards for the handling of hazardous waste pharmaceuticals and nicotine replacement therapies. This rule came into effect **August 21, 2019.**

Healthcare facilities and reverse distributors are prohibited from discharging hazardous waste pharmaceuticals to the sewer collection system and treatment plant pursuant to the published rule and existing sewer use ordinance [§13.24.070](#)
